

Draft Well-being Plans Consultation: Ceredigion, Carmarthenshire and Pembrokeshire

The Well-being of Future Generations (Wales) Act 2015 places a duty on each Public Services Board (PSB) to develop and publish a county Well-being Plan by May 2018. As part of the preparation of this Plan each PSB has undertaken a detailed Well-being Assessment of the social, economic, environmental and cultural well-being of the county and the assessment, along with a series of engagement events, have been used to identify well-being objectives and aims for each county and the actions to make progress against those objectives.

Ceredigion, Carmarthenshire and Pembrokeshire PSBs are seeking your views on those objectives/aims and actions as we prepare for publication of our first round of Well-being Plans for each county by May 2018.

If you live, work or visit Ceredigion, Carmarthenshire and/or Pembrokeshire and would like to contribute to the development of their Well-being Plans, you can access our draft plans and consultation through the following links:
